...Think cool

SS TANKS

- Tanks With SS 304 / SS 316 Construction.
- We provide Agitator OR without Agitator as per customer required.
- Matt finish polish $Ra < 0.8\mu m$ for the Dairy applications.

SINGLE WALL TANK

Constructed With 50 L | 100 L | 200 L | 300L | 500L | 1000L | 2000L | 3000 L | 5000 L | 10000L

INSULATED TANK

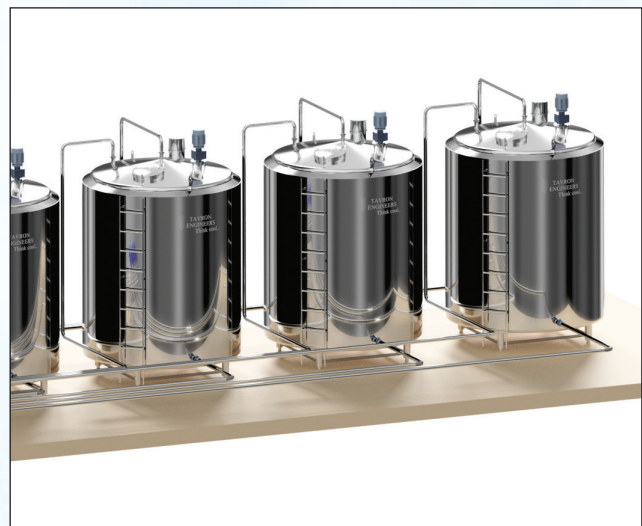

Constructed with 250 L | 300L | 500L | 1000L | 2000L | 3000 L | 5000 L | 10000L | 15000 L

SILOS

- Tanks with SS 304 / SS 316 Construction.
- PUF and Thermocoal Insulation for better thermal stability.
- Top or side agitator type as per customer requirement.
- Constructed with 15,000 L | 20,000 L | 30,000 L | 40,000 L | 50,000 L | 60,000 L | 1,00,000 L.

HORIZONTAL STORAGE TANK

- Tanks with SS 304 / SS 316 Construction.
- PUF and Thermocoal Insulation for better thermal stability.
- We provide mat finish, mirror finish, 2B Finish as per customer required.
- Matt finish polish $Ra < 0.8\mu m$ for the Dairy applications.
- Mirror polish $Ra < 0.1\mu m$ for the pharma and chemical applications.

Horizontal Double Compartment

Constructed with 5000 L / 10,000 L / 15,000 L / 20,000 L

DIMPLE JACKET TANK

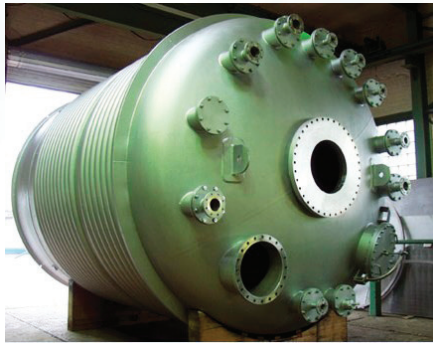

- Tanks and Reactor made out of SS304 and SS316.
- The tanks will have conventional Dimple jacket, Laser Weld dimple jacket, and conventional jacket.
- The tanks will be designed with ASME code or other code on request.
- The thermal duties will be well designed with computerised programme.
- The tanks will be designed with process and service valves automation.
- The Tanks and Reactor are designed with CIP spray ball system for on line cleaning.
- PLC Control tanks and System as optional.

VERTICAL STORAGE TANK

LIMPET JACKET TANK

- Tanks and Reactor made out of SS304 and SS316.
- The tanks will have conventional limpet jacket and conventional jacket.
- The tanks will be designed with ASME code or other code on request.
- The thermal duties will be well designed with computerised programme.
- The tanks will be designed with process and service valves automation.
- PLC Control tanks and System as optional.
